July 2010: Senior Oaks Players Dinner (Oaks Clubhouse)

The primary aim of any club is to promote the playing of rugby for all who are keen to take part in the sport. I therefore wish the players in all our teams, including those in the Youth and Mini sections, the very best for the season in terms of success and enjoyment of the game.

As a truly amateur community club, we owe our continued success to the many volunteers and sponsors that are our lifeblood. Their tireless work and support, often behind the scenes, has without doubt been instrumental in placing us in the strong position in which we now find ourselves. I am very grateful to them all.

Whatever your interest in rugby, you will find a very warm welcome at Oaks. I hope you find this flyer informative but should you have any questions or comments, please enquire online or in the clubhouse where you will find details of those who can assist you.

Club President
